RESUBMISSION OF FORMAL DRAWINGS

Sir:

Attached hereto is a complete copy of a Submission of New Formal Drawings that was filed in the U.S. PTO on February 26, 2003, and, as evidenced by the PTO PAIR system, received by the PTO on that date. These new formal drawings were filed merely to correct clerical errors, and thus should have been entered by the PTO.

In the Notice of Allowability mailed April 27, 2004, the Examiner indicated that the original drawings filed August 13, 2001 were accepted. The Examiner is requested to confirm that the replacement formal drawings filed February 26, 2003 have also been entered.

Should the appropriate official have any questions concerning this matter, he or she is requested to telephone applicants' undersigned representative.
